VOL. II, NO. 11 MARCH 16, 1966 PRICE 10¢

## Val Krause Named Carnival Queen

Last Saturday evening saw the crowning of Val Krause as Queen of Drayton Valley's 11th Annual Ice Carnival. Miss Krause was crowned by last year's queen, Sharon Booker.

Val was the queen candidate for the service companies and won over Ann Oscar, queen candidate for the producing companies and Carol Townsend, candidate for the local businesses.

The carnival, which has been washed out for two consecutive years, proved quite successful.

Although the ice was soft due to mild weather the two performances were able to be held, one commencing at 2:30 p.m. and the other at 7:30 p.m.

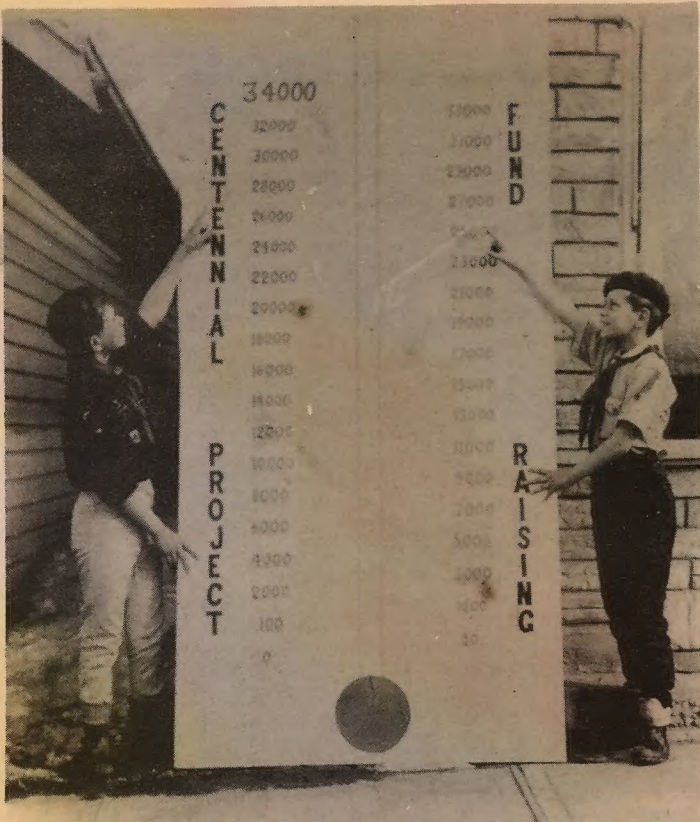

Masters of Ceremonies were

Mr. Jack Bright and Mr. Al Braden. The opening speech was made by Deputy Mayor, F.E. Thompson.

The theme of the carnival was "In Northern Woods" and was opened by a number entitled "The Northern Belles." Lyn Burrows then did a solo portraying the dawn. Following this was a number done by the junior skaters, "Picnic Time" with the skaters taking the part of teddy bears, fairies and flowers.

Next in line were two duets followed by the group called "Northern Lights". Amongst the many acts that followed was a comedy, two additional solos and a Dutch waltz.

The lucky draw was made prior to the Grand Finale Pat Dean of Drayton Valley was the winner.

Scouts Ken Halldorson (left) and Tom Oscar point to the \$34,000 target on the Centennial Project fund raising thermometer sign prior to its erection at the front of the Drayton Valley Hotel.

## Centennial Committee Seeks Your Support

Donations are beginning to roll in for the Centennial project. The project goal of \$34,000 from donations is high and presents a big challenge to this community. The Centennial Committee wishes to appeal to all civic minded citizens in this district to accept the challenge and assist financially in achieving the goal.

This is the largest and most important project yet tackled by the district and full support by all is required to achieve success. Communities all over Alberta who have civic centres and arenas have assured us that the investment is wise and that their facilities are being used far more than they had anticipated. Our project may seem large and expensive, but the committee has planned so that the major facilities will serve the town and area for at least 25 years. This is not too much to pay for 25 years service. Some of you may have personally felt that an arena and civic centre was not the best Centennial project. One such citizen wrote a letter to the committee stating this, however, he said that since the committee's decision was based on the majority of the people's wishes, he did not want to be left out and he sent a generous donation. This is the type of civic-minded citizen that makes a town successful, prosperous and a good place to live.

The committee requests that each citizen give as much as possible to this project. Cheques may be sent to either the Royal Bank or the Treasury Branch in Drayton Valley and made out to the Drayton Valley & Area Centennial Committee. Receipts will be sent to all donors by the banks. Starting next week all donors' names will appear in The Western Review and when the project is complete a permanent record of all donors will be on display in the Civic Centre. If we give generously now the arena will be ready for skating this year.

Many people have asked how much to give? The committee figures that about \$25.00 per family would put us over the top. However, all donations over or under \$25.00 will be gladly accepted. IT'S YOUR MOVE!

## Races Planned

The Alberta Paddlers' Association, at a recent meeting in Calgary, Approved the 1966 race schedule, although dates for several of the events have not yet been confirmed. About eight major canoe races already planned are the following: June 12th-Rocky Mountain House; July 3rd, Edson; July 15th, Alberta White Water Canoe Race; July 17th, Rocky Mountain House to Edmonton; July 30th, Lac La Biche; September 4th, Drayton Valley.

John Nikel of Edmonton, President of the Alberta Paddlers' Association, says other races are proposed from Banff to Calgary, from Medicine Hat to Empress, and from Redcliffe to Medicine Hat.

Mr. Nikel told the Calgary meeting that canoeing is "definitely on the increase in Alberta", and added, "with this race schedule, competitors and spectators alike are offered some of the top canoeing events in North America."

He pointed to the Alberta White Water Canoe Race as evidence that "Canoeing has come of age in Alberta". The race, held last year for the first time, attracted 80 entries from all parts of Canada and the U.S.A., and thousands of spectators lined the 173 mile route from Rocky Mountain House to Edmonton on the North Saskatchewan River.

## Meeting to Form Town Ball League

A meeting of all those interested in forming a Men's Softball League in the community will be held in the Recreation Office next Monday evening at 7:30 p.m. From what we can gather there is a keen interest in the formation of such a league and with an early start such as this meeting offers we can hope to be playing ball at an early date.

There is a possibility that such a league could be formed from the different Church groups within the town. Again it could be composed of teams from within the local companies. Still it could take on a wider dimension, that of a Community League, wherein a team from any group in the community could take part. There are at least those three alternatives and as the subject is discussed many more will come to mind.

An attempt was made to form such a league last spring, however, due to a late start and inclement weather plans did not materialize although several games of softball were played during May and June. Such a league should stir up quite a bit of interest locally and offer many enjoyable hours for anyone desiring to take part.

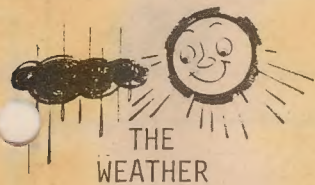

All those interested in Men's Softball and the formation of a local Softball League are requested to be on hand at the Recreation Office next Monday evening, March 21, at 7:30 p.m.

Last year's Carnival Queen Miss Sharon Booker is shown above crowning the new Queen Miss Valerie Krause. The Queen's attendants are Anne Oscar (left) and Carol Townsend.

## Garden Club Reorganized

The 4-H Garden Club held an organizational meeting Friday, March 11th.

	Low	High	Precip.
Mar. 7	+3	+34	Nil
Mar. 8	+2	+28	Nil
Mar. 9	+3	+18	Nil
Mar. 10	+4	+28	Nil
Mar. 11	+18	+47	Trace Snow
Mar. 12	+15	+36	Nil
Mar. 13	+17	+40	Nil

Club officers were elected as follows: President, Eileen Kjolien; Vice President, Kathleen Kjolien; Secretary, Verna Hodgson; Treasurer, Linda Dusterhoft; and Reporter, Christine Romanchuk.

Leadership of the club is in the capable hands of Mrs. Mary Mackenzie and Mrs. Shirley Vowk. Junior leader this year will be Judy Romanchuk.

It was decided the club would attend a 4-H Rally in Edmonton on April 15th.

On March 18th a meeting will be held to prepare a program for the coming year.

## Manning Presents Award

Premier E.C. Manning presents an award of merit to the Hon. Henry Ruste, Minister of Lands and Forests, on behalf

of the National Rifle Association of America, while Hunter Training Officer Paul Presidente looks on.

This was the first year Alberta had entered the annual international competition for hunter training programs. The Alberta program was one of nine selected from 39 states and provinces for the award.

Inscription on the plaque reads: "National Rifle Association of America presents to The Province of Alberta this award of merit for outstanding achievement in the field of Hunter Safety during the year of 1965 as determined by a special committee of

the International Association of Game and Fish Conservation Commissioners".

Alberta's two-year-old program covers a much wider range than safe gun handling. Instruction is also given in game management; rules and regulations; the game act; general prohibitions; identification, habits and habitat of fish, birds and animals; sportsman's responsibilities; hunting courtesy; forest fire prevention; care of firearms; code of ethics; hunting hints and techniques; first aid; survival; and archery.

The program is handled through the Fish and Wildlife Division

## Cadets View Town On Sunday Flight

We have not heard much about the Drayton Valley Legion Squadron #733 of the Royal Canadian Air Cadets since their very successful Father-Son Banquet in January. The Cadets are still alive and glowingly healthy in every sense of the word and enjoying a tremendous year in the different squadron activities. The squadron C.O. F/L Maurice McCullagh and his assistants have done an excellent job in the promotion and the presentation of the year's Cadet program.

Last Sunday, F/L McCullagh, Walter Krause, Chairman of the Civilian Committee and thirty-five cadets from Squadron #733 travelled via bus to Penhold to take part in a familiarization flight. This flight was sponsored by the Royal Canadian Air Force with the purpose of introducing air travel to all members of the squadron. The flight left Penhold at 1:00 p.m. with two R.C.A.F. DC3 twin motor aircraft carrying the thirty-five cadets, F/L McCullagh and Mr. Krause. Both were twenty passenger aircraft leaving plenty of room for the enthusiastic group aboard. By 1:30 p.m. the flight was over the Pembina Oil Fields and the Town of Drayton Valley. So if you were wondering what the aircraft was doing over the town on Sunday afternoon, it

was the Cadets of Squadron #733 having a look at Drayton Valley from the air. By 2:00 p.m. the flight was coming in at the Penhold air base completing what for a majority of the Cadets was their first hour of flying.

The members of the local squadron enjoyed the flight immensely. Flying conditions were ideal. Favored by the clear weather, visibility was at a maximum at all times during the flight.

The Cadets had dinner at Penhold, and in their bus tour there were stops at Rimbey both going and coming from their destination. Cpl. Barry Johanneson and L.A.C. Stanley Luchak filmed some phases of the flight. These pictures will be available at a later date and possibly some will appear in a later issue of The Western Review. Both Cpl. Johanneson and L.A.C. Luchak recently took a course in photography for the purpose of filming more Cadet activities. This was their first golden opportunity to test their newly acquired skills in the art of photography.

Sunday's familiarization flight was another milestone in the progress of the Drayton Valley Legion Squadron #733 of the Royal Canadian Air Cadets.

The earth is the fifth largest planet.

# Health Unit Annual Report

Annual report of the Edson Health Unit released last week by Dr. J.M. Brown, Medical Officer of Health, shows the total population to be 23,864 in the unit covering an area of 10,100 square miles. Statistics also indicate the largest community served to be Drayton Valley with a population of 3,854, followed by Hinton and Edson with 3,796 and 3,740 respectively.

Total population of the unit in 1965 was 23,864. Live births in 1965 totalled 524 and total deaths were 84. Heart and blood vessels accounted for the greatest share of death causes, 32 per cent.

Members of the Health Unit Board are P. Wells, Edson; J.J. Wynne, I.D., 79, 95 and 96; G. Dompnier, I.D. 77, 78, Lodgepole, Wildwood and Evansburg; Dr. H. Shim-bashi, Drayton Valley; D.K. McElroy, C.A., Secretary-Treasurer.

## EPIDEMIOLOGY

A total of two hundred and eighteen cases of notifiable diseases was reported to the Health Unit Offices during the year. This represents a considerable reduction from the previous year, namely two hundred and eighteen as compared with eight hundred and seven.

Few cases of Red Measles were reported in 1965. This would suggest that we shall not be so fortunate in 1966. All should take advantage of the vaccines which are now available to protect against Measles.

The incidence of Infectious Hepatitis dropped from one hundred and sixty-one cases to five. This is most satisfactory. Early notification permits the use of protective gamma globulin to best advantage.

Cases of Dysentery have occurred from time to time in the area. All known contacts have been investigated but to date, it has not been possible to give any opinion as to the causation of these sporadic cases. Dysentery is probably the best indicator of the standard of hygiene in any area.

The Tuberculosis Control Programme was continued with the routine skin testing of all pupils in Grades: 1, 5, 9, 10, 11, and 12, the families of positive reactors together with the contacts of known cases and people engaged in food handling. In all, three thousand, three hundred and thirty-one skin tests were done with one hundred and thirty showing a positive reaction.

The Division of Social Hygiene reported fifty-five cases of Gonorrhoea and one case of Syphilis to this office. The notification of such conditions is direct from the Practising Physician to the Division of Social Hygiene.

## INFANT, CHILD, AND ADULT HEALTH CLINICS

A total of 260 clinics were held in 1965 with a total attendance of 7,591, the average attendance therefore being 29.2.

Attendance at a number of clinic locations has been very small. An average minimum

attendance of 10 is required for a clinic to be considered economical in time. In view of this, it will be necessary to consider changing such clinics, where attendance is low, to summer operation rather than monthly clinics throughout the year.

The Sabin Vaccine Programme was continued as in

previous years. This vaccine was available to all who had received an adequate amount of the salk injection vaccine.

## SCHOOL HEALTH SERVICES

The School Health Services Programme was completed during the year. A total of 567 visits being made to schools in the area when 15,417 pupils were seen.

The school population as of December 31st, 1965 was 5,907. All immunizations, as required, were given to the pupils during the regular visits.

In general, the state of health is satisfactory. The contents of many lunch pails, however, could be changed

## In The Legislature

By Mrs. Cornelia R. Wood, M.L.A.

Friday of the third full week in the Legislature was an eventful day. F.L. Gainer (Coalition, Banff-Cochrane) carried

into the Assembly a gallon jug of oily-smelling water from North Battleford on the North Saskatchewan River. It had

labels of various kinds mostly to the effect "Drink if you dare." It had been brought by a former Saskatchewan CCF Minister of Natural Resources to stress the pollution existing in the North Saskatchewan River and asking the Alberta Government to take action to prevent it.

The Premier in his address on the Throne Speech protested the new National Parks leasing policies of the Federal Government for Alberta and wondered if the parks were in Quebec, would the policy be the same. Quebec has no National Parks.

He stated that when the compulsory Canada Pension Plan was introduced, Quebec said it would have a plan of its own. So Ottawa revised the plan to fit into their Provincial plan. Yet when Alberta had valid objections to the compulsory Medicare Plan, the Federal attitude was "They are a crazy bunch out West and we don't have to pay too much attention to them."

Premier Manning said that Alberta had always tried to cooperate in Federal-Provincial Conferences, but he pointed out that farmers in Ontario and Quebec are receiving aid to the amount of \$15,000,000 and the Federal Government refuses to help the Peace River area farmers. He told also of the discrimination against Western Canada in the construction of the Trans Canada Highway. The Federal government offered 50% grants in the cost of the highway if completed in a certain time. Western Canada worked under that agreement to meet their obligations. Eastern Canada did very little and then the Federal Government makes an 80% grant for construction through the Provinces there. "These are a few of the things that do not make for good Federal-Provincial relations," the Premier said.

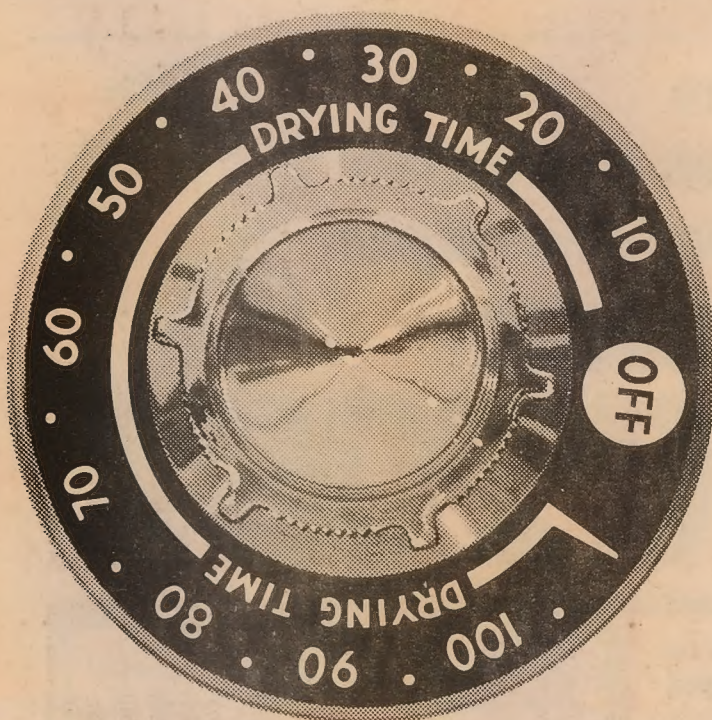

The debate on the Throne Speech ended on Friday afternoon and that evening Hon. A.O. Aalborg, Provincial Treasurer in a 90 minute speech presented the \$681,975,911 budget for 1966-67. It was the largest budget to date and amounts to an amount equal to the total provincial budgets from 1905 to 1947 - the first 42 years in the life of the Province. It represents \$455 for every man, woman and child in Alberta and there will be no new taxes.

The Department of Education replaces the Department of Health in receiving the largest percentage of the budget - 31%. The Foundation program has an additional \$20,000,000 allotted over last year's estimates.

The Department of Health gets \$24,876,270 more than last year to meet the increased subsidies for the Alberta Medicare Plan which has been renamed "Alberta Health Care Program" and there is to be extension of benefits provided.

The Highways Department gets \$6,827,270 more than last year to provide for additional road grants to municipalities and to meet the increasing costs of maintaining the Provincial highway network.

## Farm Water Safety

Sloughs, dugouts, lakes, streams and abandoned wells on farm lands claimed the lives of 19 drowning victims in the province last year said a water safety official in Calgary recently.

A.G. Gilmet, Red Cross provincial water safety director said unsupervision of young children and not knowing how to swim were the major factors.

The director said drowning incidents among farm residents is much higher than that for city dwellers. He said more rural people should enroll in swimming and water safety

classes.

Mr. Gilmet said that Red Cross instruction in water safety techniques is available in every town that has swimming facilities. He added in many communities school busses are chartered to transport rural people to learn-to-swim classes.

Mr. Gilmet said water safety knowledge is something all members of the farm family should be aware of since most farms contain bodies of water in some form.

## RAMONA NEWS

Mrs. Wood, Correspondent

A Ramona board meeting was held on March 9th at the home of Mrs. Marge Pollard with all executives present.

Our quilt is well underway and the Ramona ladies will be having a quilting bee soon.

The St. Patrick's Dance will be held on Friday, March 18th.

## Buck Creek News

Mrs. Gladys D. Stec,  
Correspondent.

We would like to thank Mrs. Hugh Maclure of Drayton Valley for showing and narrating slides at the hall Thursday night. The slides were taken while Dr. Maclure was a missionary doctor in Sieria Leone, West Africa.

Congratulations to Mr. Ralph Lambert and Mr. Walter Stec of Buck Creek, who have started a new business in Breton, "Breton Tire Service." Official opening will be March 19th

Last Saturday night was the wind up of the whist series. The grand highs and lows went to Mrs. Norma McDonald, high and Mrs. Inga Knudsko, low. Men's prizes were Mr. Herman Roos, high and Mr. Kenny McDonald, low. The regular winners for the night were Mrs. Norma McDonald, high and Mrs. Agnes Regenwetter, low. Men went to Mr. Gordon Steffenson, high and Mr. Babe Neilson, low. A non-series whist drive will be held at the hall on March 26th commencing at 8:00 p.m.

Guests at the Harry Neilson home over the weekend were Mr. and Mrs. Walter Neilson and family of Red Deer.

Mrs. Betty Hansen attended the bingo in Breton last week and won a \$10.00 prize and a free pass to the next bingo.

Taking in the ladies bonspiel in Warburg last weekend were, Hazel Bolianitz, Phyllis Karpisch, Edith Kent and Lilly Roos. They curled off for the Grand Challenge retaining 2nd in the First Event. The measles have reached Buck Creek, although so far the cases are few. We would like to pass on get well wishes to those children who are home with them.

A Breton high school rink, Art Regenwetter, Willie Hatt, Leanne Sieben and Debbie Lee entered in the Drayton Valley High School bonspiel and returned home with third in the first event.

Australian scientists have produced a one-injection cure for goitre, a scourage of under-developed countries. The cure costs 11 cents.

## Eighteen Killed In Traffic Accidents

Eighteen persons were killed in traffic accidents during January. This was four more than the number killed in January a year ago reports the Alberta Safety Council in its monthly traffic accident summary released today.

Accidents rose 11 per cent to 4,019 against the 3,620 accidents reported during the first month of the year a year ago.

Four hundred and thirty-three injuries were reported

during the month of January up 17 over last year.

Edmonton continues to lead in the number of accidents reported 1,789. Calgary is next with 61% of Edmonton's total at 1,099. R.C.M.P. reports indicate 729 accidents with Lethbridge, Red Deer, Medicine Hat and Grande Prairie reporting 107, 83, 60 and 33 accidents respectively.

Jerusalem was captured by the first Crusaders in 1099.

"SINCE SHE'S BEEN GOING TO THAT PSYCHIATRIST, WE'VE HAD TO LIMIT HER TALKS TO 10 MINUTES."

"I SUGGEST SARAH SMATHERS TO HEAD OUR STAGING COMMITTEE. HER HUSBAND HAS A STRONG BACK AND A STATION WAGON."

"HAS ANYONE ANYTHING FURTHER TO SAY ABOUT EMILY CLAPTRAP'S SECOND MARRIAGE BEFORE WE START THE MEETING?"

"OH, DEAR! — CHICKEN SALAD AGAIN."

## Health Unit Report

Continued from Page 3

to advantage to include more protein and less carbohydrate.

Some schools are not as clean as they should be. This aspect has been taken up with the School Division Authorities.

### MENTAL HEALTH

The Guidance Clinic Service to this area has now been increased to daily clinics at Hinton, Edson and Drayton Valley twice per year. These clinics have been well attended and additional appointments have had to be requested in Edmonton for individuals who could not be seen in the area or where the situation merited an earlier appointment than the routine schedule.

### DENTAL HEALTH PROGRAM

The Dental Program initiated in the Edson Health Unit in June of 1963, was expanded in 1965. The pre-school children were included in the program for the first time this year. They received an oral prophylaxis and topical stannous fluoride application with dental health education for their parents.

During 1965, children of Evansburg, Wildwood, Drayton Valley, Lodgepole, Niton, Fulham, Peers, Marlboro, and Robb were seen for the second time since the initiation of the year round program. Seen for the third time, were children of Brule, Grande Cache, and Edson. This program will be continuous through 1966, seeing the completion of the third lap of the programme.

It must again be stressed that the preventive dental program as practised by the Edson Health Unit, will not produce immediate improve-

The Hinton swimming pool had difficulties throughout the season due to the turbid water obtained from the Athabasca River. Existing filtration has been inadequate in rendering a quality of water required for the pool. However, steps are being taken in an attempt to prevent a recurrence of this problem.

The swimming pools in Drayton Valley and Edson have been operating in a satisfactory manner with the exception of difficulties encountered with high plate counts on occasions. Present swimming pool standards pertaining to the maximum allowable plate count are very difficult to meet. A Swimming Pool Operators Course was attended in May and much valuable information was ob-

tained. We are working instead toward greater long-term results in dental health through education and preventive procedures.

### ENVIRONMENTAL HYGIENE

Routine water samples taken from municipal and private supplies revealed the absence of coliform organisms in all cases, however, some high counts were observed. These high counts were present where constant chlorination was not in operation.

The village of Evansburg which obtains its water from the Pembina River again encountered problems during heavy run off periods. The installation of a filter has made some improvement but without some method of settling, the filter can not cope with the turbidity during these heavy run off periods.

PLAN 1966-67 TERM

# Kindergarten Board Meets

The members of the Drayton Valley Community Kindergarten Board met at the home of Mrs. Betty

Mosdell on March 9th. Plans for the 1966-67 term of kindergarten were discussed.

Before much was done it seemed important at this time to try to create more interest in kindergarten and if possible to let our local school boards and the Department of Education know that we feel kindergarten should be an integrated part of our schools. It was decided to study the information available and prepare a brief to be sent to governing organizations. A committee of Mrs. Betty Mosdell, Mrs. Elaine Home and one of the kindergarten teachers will start working on this brief.

Registration for the kindergarten term starting in September, 1966 will take place in the United Church on April 21st from 2:00 to 5:00 p.m. A fee of \$1.00 is payable with registration to

cover the cost of accident insurance. In order to register a child has to be five years old before December 31, 1966. Fees are \$12.00 per month with no refund for sickness.

Report cards and parent-teacher interviews were discussed. This will be discussed further at the next meeting of the parents.

A general meeting of parents of kindergarten children will be held in the Town Hall on Monday, April 18th at 8:00 p.m.

In the middle of a blinding blizzard the doctor received a call from a man whose wife needed medical attention. "I'd be glad to come, but I have no car," the doctor said, "You'll have to come for me."

"What," exploded the caller, "in this weather."

## Auxiliary Meeting

At the March meeting of the Ladies Auxiliary to the Canadian Legion one new member was initiated and two applications read and approved. Mrs. Wardlow and Mrs. Cooke will plan a Legion family party for March. Plans were made for attending the Auxiliary Zone rally at Fort Assiniboine on April 17th.

Legion bowling will be Sunday, March 12th. The ladies will decorate the hall and otherwise assist in preparing for the legion St. Patrick's dance.

Jack O'Rourke and Mrs. Pat Moore admire the wizardry of Jerry Baril in the above photo. Mr. Baril made up one side of Tom Bijou's face as a dancing girl and the other as an old man. Glenda Galloway, in the lower photo, gets a few pointers on the other side of the face transformation.

## Drama Workshop Held Saturday

Last Saturday, in the Recreation Office of the Town Hall members of the Drayton Valley Players received professional instruction in the fields of speech, makeup and action, from three highly qualified persons from Edmonton.

The morning session was on voice production with Freda de Branscoville. Mrs. de Branscoville is a regis-

tered nurse who holds five speech degrees.

The first class in the afternoon was makeup with Mr. Jerry Baril. Mr. Baril says that makeup is only a hobby with him although he works for CBC off and on. His regular job is that of Public Relations man for A. G.T.

Kenneth Kramer, a former professional English actor, gave the group acting instruction which included everything from painting with one's nose to escaping from a political prison. Mr. Kramer is now doing Theatre for Children in Edmonton and is probably better known for his portrayal of the beast in "Beauty and the Beast."

Those who attended found the instruction very beneficial although only the very basics could be dealt with in the brief periods allotted.

## D. V. Highlights

BY MRS. EDITH DEBY

Mr. and Mrs. Ben McIntyre of Uranium City visited Mrs. McIntyre's mother, Mrs. Olga Wiechert recently. The McIntyres returned from a tour of Europe just before Christmas and have some fine pictures which they took while on their travels.

At a Saturday night whist party held in the Dunington Farm Union Hall Mrs. Freeman Hill and Mr. Ole Grotte were high scorers and Mrs. Clarence Dunington and Mr. Louis Mattson received consolation prizes.

Mrs. Harold Hammerlindl attended the Provincial Ranger Meeting in Wetaskiwin. The rangers are the senior section of Girl Guides. Mrs.

Hammerlindl has been active in guide work in this town ever since she came.

Mr. and Mrs. Ted Boodle and family are visiting Mr. Boodle's mother, Mrs. Leo Look, for a week. Ted is with the Forestry Division of the Alberta Government with headquarters in Peace River.

The L.W.G. dealt with a full agenda at their regular monthly meeting. It was decided to have a travelling Bake Basket as a money making scheme. A very fine coffee urn is being paid for with the sale of vanilla. Last year's executive was re-elected to serve for this year. It is: President, Mrs. Ed Hines Jr.; Vice-President, Mrs. Albert Grinde; Secretary, Mrs. John Mikulin; and Treasurer, Mrs. Freeman Hill.

Mrs. L.L. Williams leaves soon to visit with her son-in-law and daughter, Mr. and Mrs. Dalton Heyland, in Prince Rupert, B.C. Mr. and Mrs. William Louth and Mr. Fred Louth are all set to start for Ontario at the end of the month. Just a visit, you understand, nothing permanent.

## WHO'S NEW

March 7th - Mrs. Douglas Racher (Cheryl), Drayton Valley - Boy - 8 lbs. 1 1/2 ozs.

March 8th - Mrs. Lucien Ouellet (Eveline), Evansburg - Girl - 7 lbs. 1 1/2 ozs.

March 9th - Mrs. Richard Riesterer (Leona), Drayton Valley - Girl - 7 lbs. 1/2 oz.  
March 9th - Mrs. Clifford Saulnier (Jeanette), Drayton Valley - Girl - 8 lbs. 8 1/4 ozs.

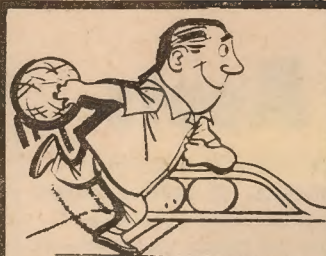

March 9th - Mrs. Frank Platz (Jean), Violet Grove - Boy - 6 lbs. 14 3/4 ozs.

March 10th - Mrs. Carl Leakvold (Gloria), Wildwood - Girl - 7 lbs. 15 1/2 ozs.

March 12th - Mrs. Norman Anderson (Sonya), Drayton Valley - Boy - 7 lbs. 13 1/4 ozs.

The winner of this week's baby spoon is Mrs. Clifford Saulnier with her girl of 8 lbs. 8 1/4 ozs. Mrs. Saulnier may pick up her spoon at:

## Labossiere Rink Wins School Draw

This past Friday the dining room of the Jade Cafe was the scene of Frank Maddock High School's Curling Club banquet.

Immediately following the dinner the two leading rinks for the year were presented with trophies for their efforts.

The Wayne Labossiere rink came in first. Wayne's team members are: Linda Barnes-third, Fred Kerr-second, and Cheryl Smith-lead.

The rink skipped by Paul Joyce placed second, with Bonnie Baxter - third, Kevin Goble - second, and Penny Meier - lead.

Mr. Courtney, the Industrial Arts teacher at Frank Maddock High, chaperoned the banquet which lasted one and one half hours.

The Frank Maddock High School Curling Club would

45; No-Accounts, 28; Zero's, 51; Merrymakers, 41; Checkers, 50.

In the Senior High League the highs are: Team High - Headpins, 1522; Girls H.S. - Joan Wills, 206; Girls H.D. - Joan Wills, 355; Boys H.S. - Doug Herold, 255; Boys H.D. Doug Herold, 446.

In the Junior High League the highs are: T. H. - Cool Cats, 1441; Girls H.S.-Shirley Huber, 227; Girls H.D. - Sh Shirley Huber, 431; Boys H.S. Neil DeCiccio, 155; Boys H. D. - Ron Wills, 268.

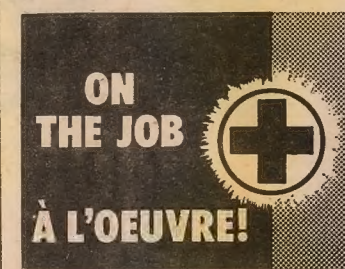

like to thank the B.P.O. Elks for their generous donation to their bonspiel and also the mothers who helped prepare and serve for the banquet.

## Flying Club To Hold Meeting

A meeting of the Drayton Valley Flying Club will be held in the Town Office on Monday, March 21st at 8:00 p.m.

The executive and membership is looking forward to increasing interest in activities of the club and would like any members of the following to attend the meeting: the Flying Farmers; the Gyro Copters group; plus anyone else who wishes to learn to fly or become a member.

Anyone interested in further information is asked to phone Roy Burrows, President or Charlie Miner, Secretary.

# Oilwives Celebrate Eighth Birthday

The Drayton Valley Oil Wives celebrated their eighth birthday with the annual Talent Show in the Elk's Hall on Monday, March 14th.

There were a total of 181 present, including 104 members and 77 guests. The seven remaining charter members of the original 104 were called to the front to have their picture taken.

Monday night proved we had many good sports among our members and guests as it was "come as your favorite T.V. character" and a great deal of fun. Prizes for best costumes went to Dorothy Pollock as Herman Munster, Joan Findlay as Lilly Munster, and Mary Poloway as Popeye. There were many other excellent costumes also.

The annual Oil Wive's paper, "The Flare" was sold with money going to the travel fund.

A very delicious roast beef supper was served by the Anglican ladies in an attractive St. Patrick's Day setting. The traditional birthday cupcake and candle and the singing of "Happy Birthday to Us" concluded the meal.

During the brief business meeting a letter of resignation was read from our Program Chairman, Pat Milne, who is moving to Calgary. Her co-chairman, Edna Henderson, will sit in as Program Chairman to the end of June. Dot Booker, our representative to the Christ-

mas Welfare Organization gave her report on the meeting she recently attended.

It was moved that the April meeting will take place on Monday, April 18th, one week later than usual because of Easter. It was also moved that our June meeting will be replaced with a Barbeque and Dance.

The evening's entertainment was the annual Talent Show which once again proved what a terrific variety of talented members we have.

Our delightful M.C. for the show was Betty McGee, in the person of Jackie Gleason who kept the audience in "stitches" with his many jokes.

Five lovely cheer leaders began the show with the rousing song, "We're the Drayton Valley Oil Wives, Yes we Are." These girls included Jackie Timmins, Pauline Rehbein, Carol Gillis, Donna Gawalko, and Verna Radowits.

The next group did several take-offs on commercials, interspersed with songs and skits of a lighter nature. This group included pianist Audrey Thompson, Betty McGee, Mary Poloway, Selena Bourland, Stella Murray, Betty Wronko, Barbara Holan and Eunice Lyle.

"The Pill" was the title of the next song and proved to be a take-off on the Birth Control Pill. The doctor was played by Jean Ward with "pregnant" mothers, Donna Guild, Dot Booker, May O'Rourke, Lil Ross, Helen Paley and Jeanette Miner.

The audience was treated to an accordion solo by Myrtle Haire.

The girls from Alder Flats brought us a delightful preview of new spring hats made of many unmentionables and household articles. Commentator was Lois Robinson, pianist Agnes Schauerte and models Bertha Bolander, Dorothy Pollock, Joyce Hayduk, Evelyn Howatt, Marlene Linneberg, Jean Owens, Rita Kenworthy and Bemice Neville.

Wendy Ashmead favored us with several beautiful violin solos. She was accompanied at the piano by Eileen McDonald.

A most enjoyable skit, entitled, "Cinderbrick" was

This week will see the end of regular men's league play. Rinks have almost completed the square and will be playing a sudden death playoff for the set of sweaters. Following this the rinks will play a straight knockout for the Club Championship and the right to hold the Carlings Trophy for one year.

The draws have now been posted for the Hudson Bay Open Mixed Bonspiel which will run from April 1st to the 3rd. All 48 positions have now been filled with some on the waiting list to take care of any late dropouts. This will be a three event affair with Acme Novelty and Simpson Sears sponsoring the other two events.

The Sunday Mixed Club will hold their annual wind up bonspiel on Saturday, April 9th. The bonspiel will begin at 1:00 p.m. and finish at 10:00 p.m. This again will be a three event bonspiel, with first and second in each event and the Trudeau's Trophy emblematic of the Mixed Club supremacy. The bonspiel will end with a social in the Club Lounge for all mixed club members.

presented and proved to be a very up-dated version of Cinderella. Pat Milne was commentator, Audrey Thompson pianist and Cam McCracken, director. Others in the skit were Edna Henderson, Carol Hoyland, Jeanette Vatter, Doris Reed, Isabelle Sherrow, Keitha Morrison, Pat Raddis and Joan Reynolds.

Then our "Pill" girls were back again, this time with a "South of the Border" number. The girls were all dressed be beautifully in Mexican attire and sang many lovely songs. The Mexican Hat Dance was done to perfection by Lottie Germaniuk and Lil Ross.

Our thanks to the many girls who made this evening so enjoyable.

## Attend Convention

The Alberta Youth Convention of the Church of God was held on March 4th, 5th and 6th at the Jubilee Auditorium in Edmonton. Approximately 250 - 300 youths attended with representatives from all parts of Alberta including nine from Drayton Valley.

The theme of the convention was "Put Out or Get Out". The speaker was Mr. Lou Peskett, the Youth For Christ director from Edmonton. Mr. Peskett filled in for Mr. Bill Ellis who became snow bound on his way from his home in Decatur, Illinois.

The aircraft industry continues to hold a prominent position in Canada's exports, according to the Department of Trade and Commerce. Complete aircraft valued at some \$100,000,000 were sold in world markets in 1965

## Curling News

### Ladies Curling

The A & B squares of round robin play are now completed. In the A Section, Nevis LaBranche's rink of Doreen Harrison, Isabelle Trueman and Lorraine Anderson finished in the lead. First place in the B Section is Sylvia Copeman's rink. With Sylvia are Irene Campbell, Freda Batke and Sunoa Shimbashi. These two rinks will play off for the club trophy.

This Thursday will be the start of the club closed bonspiel which will last for three weeks. The finals will be played on March 30th followed by a social evening and the presentation of the club trophies.

Friday, March 18th marks

the start of the three-day Ladies Open Bonspiel. Indications are for a very successful bonspiel.

Forty-eight teams are expected with entries coming from as far away as Calgary. Former Club President, Dexter Kjolien, Beryl Stevenson and a host of other out-of-town rinks are only a few of the ones that will be returning. The draw is made up and will soon be posted in the rink.

Refreshments will be served at the club Friday and Saturday evenings. Saturday at 5:45 p.m. a banquet will be held in the Elk's Hall. Entertainment will be provided by a versatile group made up of Dot Booker, Lil Ross, Janette Miner, Helen Paley, May O'Rourke, Jean Ward, Donna Guild and Lottie Romanuk.

## Activities Discussed At U.C.W. Meeting

A general meeting of Drayton Valley United Church Women was held on March 8th at 8:00 p.m. in the church basement.

Devotion was conducted by Mrs. Jean Ward, using the story of Hannah from the Bible as her theme.

Our allocation of \$185 to the Unified Budget of the United Church was discussed. A graph on the blackboard explained how this money will be spent.

Two new white tablecloths have been purchased and a new electric kettle was obtained from Nabob coupons. From now on Mrs. Arlene Hay will collect the Nabob coupons and we hope to get enough to order some stainless steel knives and forks. Mrs. Doreen Ellery and Mrs. Shirley Nelson will serve on the manse committee. It was decided to send \$10.00 to the Presbyterian U.C.W. for the Gestetner they are to purchase. As many of our members as possible are asked to attend the meeting on Lay Hospital Visiting.

A Bake Sale will be held in the Bay on Saturday, April 2nd from 2:00 to 5:00 p.m. It was mentioned that cash donations were as acceptable as baked goods for anyone so desiring. Anyone that has baking they would like picked up for the sale

may phone Mrs. Shirley Nelson at 542-3787.

Our next general meeting will be held on Tuesday, June 7th at 8:00 p.m. in the church.

A farewell cup and saucer was presented to Mrs. Pat Milne. Pat is moving to Calgary at the end of the month.

Following a delicious lunch Mrs. Muriel MacLure showed slides taken while she was a missionary with her husband in Africa.

## New Books At Library

Last week brought many books for the very young. Don't you agree that the following titles should prove to be an enticement? "Animals of Small Pond," "Little Eskimos," "Indians," "Limericks of Lear," "David and Goliath," "Over in the Meadow," "Frog went Courting," "First Book of Eskimo," "A Book to Begin on Electricity," "Greg's Microscope," "Petunia, I Love You," "Child's Calendar," "Katie's Chickens" and "Eskimo Twins".

Library Week begins on March 26th. Why not plan to take your coffee break in the library on the morning of March 29th?

## TO ATTEND FUNERAL

Mr. and Mrs. Roman Kowal left Tuesday for Zealandia, Saskatchewan, to attend the funeral of Mrs. Kowal's father, Mr. Isley, who passed away suddenly.

In Canada's earliest days newspaper publishers were required to post a bond to insure that the contents of each issue of their papers would be submitted for official approval prior to publication.

## Evansburg News

Mrs. Bruner, Correspondent

The sympathy of the district goes to Mrs. Theisson and sons on the loss of husband and father in an accident. Funeral services were held in Wildwood on March 11th and burial was in Evansburg.

Construction on the telephone building is coming right along and this spell of lovely weather does not hinder the work in the least.

School classrooms have been looking sort of on the empty side as the children succumb to the effects of the flu. At last report, 35% of the children were absent from the Junior-Senior High School.

From all reports Klondike Days were a huge success at Wildwood. My boys came home with various souvenirs and stories of what went on. Personally, I missed the fun as the baby was sick.

The Group Committee for the Cubs and Scouts met at the home of Mr. and Mrs. Bruner on the 7th. Among the various activities the Cubs are doing is the making of bird houses. Presumably, several fathers will be busy helping their boys nailing together a birdhouse in the days that follow as each Cub was given a birdhouse kit at the March 10th meeting. Plans were also begun, by the committee for a bottle drive sometime in March and overnight camping for sometime in June. There are also plans for a parent and boys' night before the year is over.

The District Agricultural Society held their meeting on the 9th. Plans were made to begin the printing of the fair book. Tatting will be listed as one of the classes in handicrafts. The sale of tickets for the raffling of a cedar chest, a stove and a pair of guinea fowl is now taking place. Various members of the Society have tickets to sell. Threshed grain samples will be colored after judging to eliminate the possibility of the same samples being entered in the fair the following year. A slight change in the parade classes has been made. Instead of a commercial float and an artistic float, the classes will be a decorated car or truck and a float. A float is to be a display on a truck platform or on a trailer pulled by a truck, tractor or horses.

Away from his home for a couple of days was Mr. M. Mazeppa attending an advisory board meeting.

Visiting at the home of Mrs. Bruner, Sr. is her

daughter, Mrs. Abel from Vancouver.

Some local groups have cancelled their monthly meetings for this month because so many of the members would be absent due to illness.

## MORE CENTRAL HEATING

After several cold winters, the British are more and more accepting the comforts of central heating. Canada exported \$500,000 worth of heating equipment to Britain in 1965, according to the Department of Trade and Commerce.

## Moon Lake News

Mrs Barabara Schenk, Correspondent

A baby shower for Dianne Tomekivitch was held on Sunday afternoon, March 6th in the hall. A large number of friends and relatives turned out.

The regular monthly meet-

ing of the Hoot Owl Community Club was held in the hall on Sunday evening, March 6th instead of Monday, March 7th as that night was reserved for the L.I.D. meeting. There was a good attendance at both meetings.

Quite a few people in this district have had the flu and some children with measles. We hope Gordon Romanchuk is feeling better. Also Blanche and Evelyn Jensen.

Remember when income tax was paid only by people who could afford to.

## MALE HELP
